

April Newsletter

The Staff Team

Over the past month Unley CCC has hired some new relief staff to work within all the rooms. Please make welcome Tom, Luyao and Arielle.

We also have several students working towards their certificate three and diploma in children services. So families may see some unfamiliar faces around the building.

As many of you will be aware Alice has also resigned her position as Director. Lauren will be replacing Alice beginning the 2nd of May although you may see her around the place before then getting to know the children, educators and families.

Fundraiser

We have had little interest in our t-shirt fundraiser so if you are still interested in purchasing a t-shirt we will be extending the fundraiser until Friday 22nd of April.

The proceeds will go towards purchasing some new multicultural and sustainable resources for the centre. If you need a new order form please see Nica.

New Families

A big welcome to our new families. Thomas and Archie in the baby's room and Isabella, Allistar and Sami in the toddler room

We would also like to welcome Elise to the toddler room she has just moved up from babies and Sienna and Charlotte to the kindy room who have just moved up from Toddlers.

Lift the Lip

On Thursday the 26th of May at 10am Lift the Lip dental services will be attending Unley CCC. Please keep an

eye out in your parent pockets over the coming weeks for more information about this.

Hats, drink bottles, clothing and fruit

Please remember to pack a labelled hat and drink bottle for your child when they attend care

Also with the cooler weather approaching us please remember to pack warmer clothing and a spare change of clothes with your child.

Please remember to pack a piece of fruit with your child for each day of care.

Vacancies

We have some current vacancies on Friday's in both the Toddler and Kindy room. If you would be interested in picking up an extra day please see Nica

Mother's Day Morning Tea

On Friday the 6th of May Unley CCC will be hosting a Mother's day Morning tea for all the special women in your child's life. Come along and enjoy tea, coffee and snacks. See what your child has been doing at care and have the opportunity to discuss your child's learning and development.

Baby Room News

The baby room has been focusing on fine motor skills over the last few weeks. They have been practising painting with paintbrushes, pushing cars along tracks, picking up and stacking objects and putting objects into one another. The baby room also enjoyed painting egg cups and Easter eggs for their Easter craft. The educators in the baby's room are also looking for donations of natural objects leaves, shells, sticks etc.. to move forward with their nature theme.

Kindy Room News

The kindy children have been looking at emotions and feelings and talking about how they feel when things happen. Easter crafts included Easter bags, paper plate chickens and an Easter chicken hunt. The children have shown interest in the Very Hungry Caterpillar and have begun to make cocoons and butterflies and talk about the change in weather.

Toddler Room News

The toddler room has been looking at colours and shapes over the past few weeks. The educators also sent an email to families to find out about each child's culture so they could make a display and discuss the cultures within the toddler room. Easter crafts included painting bunnies, stamping with potatoes to create egg shapes and face painting. The toddler room will be looking at bees next as the children have taken an interest to them flying around the flowers in the garden this will then follow on to a autumn theme.
