**ACCESS GUIDELINES**

As a child care service which receives Child Care Benefit from the Commonwealth Government, we abide by the priority of access guidelines set by the Department of Family and Community Services. To help us equitably fill vacant places, please tick the appropriate priority boxes below:

- Child at risk of abuse or neglect OR family in crisis.
- Child of a single parent who satisfies, or of parents who both satisfy, the work/training/study test.
- Any other child.

Within the main categories above, priority should also be given to the following:

- Children in an Aboriginal or Torres Strait Islander family.
- Children in a family which includes a disabled person.
- Children in a family which includes an individual whose adjusted taxable income does not exceed the lower income threshold, or who or whose partner is on income support.
- Children in a family from a non-English speaking background.
- Children in a socially isolated family.
- Children of a single parent family.

A child care service may require a Priority 3 child to vacate a place to make room for a child with a higher priority. They can only do so if you:  
are notified when your child first entered care that your service follows this policy.  
are given at least 14 days notice of the need for your child to vacate.
