LEARNING TOGETHER, EVERY DAY

Newsletter - March 2016

Have you signed your child in and out?

Just a reminder to all families that it is a legal requirement to have children signed in and out whilst at childcare. Absent days must also be signed for. Thank you to all of those families that have signed all of their old sign in and outs.

SUN SMART

Please continue to indicate to Educators if you have applied sunscreen before childcare by using the highlighted column on the sign in and out boards.

Please remember that dresses and shirts with no sleeves are not sun smart. Please also remember to label your child's hat.

Public Holidays for March

Just a reminder that the centre will be closed on the following dates:

Monday 14/3/16 - Adelaide Cup

Friday 25/3/16 - Good Friday

Monday 28/3/16 - Easter Monday

Just a reminder that if your child is collected after 6pm there is a late fee of \$5 per minute after 6pm that will be added to your bill. Also a reminder that if you forget to pack nappies for your child that centre nappies will be used at a charge of \$2 per nappy.

During February the kindy children enjoyed a visit from Dominic from the Socca Joey's. Dominic is hoping to run a six week program with the Kindy children on Tuesday afternoons starting on the 8th of March. The cost is \$8 per lesson. Registration forms have been placed into parent pockets. If you require any more information about this please see Nica.

Update to the Centre Website

The Unley Community Childcare Centre website (www.unleycommunitychildcare.com.au) is updated on a regular basis. A new section has just been added to the main menu bar labelled "photos" you will now be able to view photos of your children engaging in various activities throughout the year. Feedback is appreciated so if you have any ideas for our centre website have a chat with Nica.

In the Nursery...

In the Nursery we have continued to work on forming relationships and bonds with the children. We have also been enjoying lots of sensory play including tea bag painting, bubbles and playdough. We have been using our physical skills outside on the balance beams and slide and we have been practicing catching and throwing the balls.

In the Toddlers...

In the Toddler room we have continued to work on learning about emotions and we are about to start our new topic "colours and shapes". We have enjoyed learning about farm animals and made some of our own and have been learning about our families using "our family book". We

would really like to encourage those families that haven't supplied us with family photos yet to bring some in to add to our family book. Also please remember to pack your sleep nappies for those children who are still wearing a nappy to bed but underwear during the day.

In the Kindys...

In the Kindy room we have been learning all about our world. We have been focusing on a different country each week and learning how to say hello and goodbye in that language. We also celebrated Chinese new year by making Chinese lanterns, paper fans and a dragon. We also enjoyed a visit from the Socca Joey's and had lots of fun learning new ball skills.
